Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest-performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach. In order for a high school to be rated, it must meet the minimum number of students and earn points in at least the following indicators: Student Achievement, Growth. For this school, the minimum requirements have not been met.

The Mission High School rating report is available at www.nevadareportcard.com. Additionally, please review the School Performance Plan on your school's website.

Parent engagement is critical to the success of students; therefore, you are encouraged to become involved in the academic progress of your child's school. Please visit your school to obtain information about opportunities for involvement. Together, we can make a difference.
