2.0 Old Items

- 2.1 Review April minutes.
- 2.2 April minutes approved.

3.0 New Items

3.1 Grading Reform - big push in the school district right now; we have a minimum F grade policy and will continue to have it; also, we run 20% summative and 80% formative in order to ensure students aren't being punished in their academics for a behavior issue. (Ms. Collins: "Let's make the punishment fit the crime.") We at MHS already implement many of these grading reform directives.

3.2 Device Collection will be on May 24, 25, 26

3.3 Summer Acceleration Updates - We have very cool activities involving social justice issues; police officers and possibly FBI agents will visit our campus to talk about criminal profiling, forensics, etc. The summer will be fun, interactive, and informative for students.
